### WEBINAR INFORMATION

Registration URL: <https://attendee.gotowebinar.com/register/2420991934448090626>

Once logged in, please follow the instructions as provided by Citrix and as described in the CCP email dated December 4, 2015 (see below).

- 1. Webinar Log In:** After you have registered, you will receive an email from “Stephanie Horii (one of our staff) confirming your registration. The email describes how to join the Webinar. You must click on the URL link **FIRST**. Do NOT call in to the toll-free number until you have logged in.
- 2. Telephone Access:** After you log in, you will eventually have the webinar pop up on your screen. Before you are brought into the actual webinar, you will be prompted for questions about phone use. You must select "Use Telephone" after joining the webinar.

After you have responded to the telephone questions, you will be brought into the webinar. On the right side of the screen is a control panel. On that panel, you will be provided an “Audio PIN”. This is an individualized PIN for you only. No one gets the same PIN.

- 3. Telephone Call:** You will call in using the toll-free number and the access code provided in the email. After you call in, you will be prompted for your Audio PIN. Use the individual PIN provided on the control panel. You **MUST** use this PIN. If you do not, you will hear the discussion but we will not be able to hear you. You will not be able to verbally participate with questions.
